

1/4

A cross-sectional view of a multi-layered structure 10. The structure consists of a top layer 12, a middle layer 14, and a bottom layer 16. The top layer 12 is divided into three regions: a left region 18, a central region 23, and a right region 24. The central region 23 is filled with a stippled pattern. The left region 18 is labeled with 18, the central region 23 with 23, and the right region 24 with 24. The middle layer 14 is labeled with 14, and the bottom layer 16 is labeled with 16. A reference numeral 10 points to the entire structure. A reference numeral 25 points to the central region 23. A reference numeral 27 points to the right region 24.
